CERTIFICATION SUPPORT

If you need help with a Certification Path or with Certification Requirements, please contact the Certification Support Team at: certification@vmware.com

CANDIDATE AGREEMENT

The *Candidate Agreement* is a legal document between the candidate and VMware regarding participation in the VMware Certification Program including access to and use of any Program benefit, VMware Certification credentials, or any VMware Certification logo that VMware makes available as part of the Program.

CERTIFICATION OVERVIEW

The VMware Certified Advanced Professional – End-User Computing Design 2024 (VCAP-EUC Design 2024) certification verifies an individual's advanced skills in designing VMware Horizon and VMware Workspace ONE solutions, including VMware Horizon, Workspace ONE, App Volumes, Unified Access Gateway, and other relevant solutions. Job-roles associated with this certification include End-User Computing architects and consultants.

In this document, we show the different certification paths available to earn the VCAP-EUC Design 2024 certification, depending on what certifications you already hold. You may follow this guide as a learning resource of what is required of you to earn this certification.

FAQs

Do I have to complete the requirements in the order listed?

No, however we strongly recommend that you do so. Also, please note that successfully registering to take an exam does not imply that you meet the certification requirements in full.

What are the benefits of a badge?

- A single source that combines your credentials and provides a complete overview of your skills.
- Digital badges allow for you to easily share your accomplishments in social media.
- Provides employers with easy, valid verification of your VMware credentials.

How do I share my badge?

When you've earned a VMware badge, you will receive an email notification alerting you to claim your badge. When you accept your badge, you'll be brought immediately into a sharing workflow that allows you to share to Facebook, Twitter, and LinkedIn, embed in a personal website, or share over email.
